**THIS HOLIDAY SEASON, ANOTHER CHANCE HOUSE IS PROUD TO PARTICIPATE IN THE PANHANDLE GIVES, A COMMUNITY-WIDE CAMPAIGN THAT STRENGTHENS NONPROFITS ACROSS THE TEXAS PANHANDLE. FROM NOVEMBER 24 TO DECEMBER 2, YOUR SUPPORT HELPS US PROVIDE A POSITIVE PATH TO A SELF-SUFFICIENT LIFE FOR MEN EXPERIENCING HOMELESSNESS, INCLUDING VETERANS AND THOSE REBUILDING AFTER ADDICTION.**

What makes this campaign so meaningful is the impact it creates. Every dollar you give goes directly to Another Chance House—and through the Amplification Fund, your gift is increased. This added support helps us offer safe housing, daily meals, case management, workforce readiness, and the steady encouragement men need as they work toward long-term stability.

For the men in our program, The Panhandle Gives is more than a fundraiser. It helps create opportunities to find reliable employment, restore family connections, and regain confidence after years of struggle. Your generosity during these nine days truly moves lives forward.

Taking the time to say  
Thank you 

We recently gathered for an Appreciation Event filled with warmth, connection, and genuine gratitude. Supporters, volunteers, staff, and many of the men in our program came together to celebrate

the heart of our mission, and the people who make this work possible. The evening wasn't about awards or titles; it was about recognizing the compassion, time, and dedication that surround every man who walks through our doors seeking stability and a fresh start.

Every meal served, every project completed, and every encouraging word offered helps create a place where men can rebuild their lives with dignity. Your belief in this mission builds a safe, steady, hopeful environment for the men who call Another Chance House home.

A heartfelt thank you to St. Thomas for hosting us so graciously, to all of the volunteers who helped create a night focused on gratitude, and to Chef Bud for preparing a meal that made everyone feel cared for.

Because of you, Another Chance House remains a haven for men finding their path forward. Thank you for being part of a community that lifts, supports, and transforms lives every day.

## Josh's Journey To recovery

Eight years ago, Josh was lost in addiction, convinced that rebuilding his life wasn't possible. But through hard work and the support he found at Another Chance House, he's now eight years clean and building a future filled with stability, purpose, and pride.

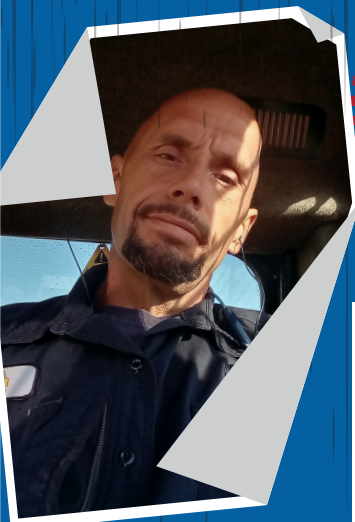

Josh says it best:

*"Without that stable foundation—without that structure—I really think I would've gone back to where I was."*

Today, that same foundation continues to guide his steps forward.

You can read more about Josh's journey and see how your gift during The Panhandle Gives (Nov. 25–Dec. 2) helps men like him move forward with dignity and hope.
