Mark your calendars!  
Saturday, August 15th, at the Amarillo Gun Club

## It's time to Aim for Change

On August 15, supporters from across the Panhandle will gather at the Amarillo Gun Club for the 2026 Aim for Change Sporting Clay Shoot. One of the things that makes Aim for Change special is the community that surrounds it. Year after year, friends, supporters, and local businesses come together for a day of fellowship and friendly competition while helping create opportunities for men rebuilding their lives after homelessness.

### Amarillo National Bank

### Awesome Service

We are grateful to our Gold sponsors, **Amarillo National Bank** and **Gary's Heating and Air**, for helping make this year's event possible. There is still time to get involved. Team spots, sponsorship opportunities, and silent auction donations are still available, and we would love to have you join us on August 15.

Scan the QR code to learn more and register.

## A Path of Purpose

At a recent ACH Celebrates gathering, residents painted rocks with words, names, and symbols representing the people, values, and goals that inspire them to keep moving forward. Family, faith, recovery, and hope were among the many reminders chosen.

The rocks now line a pathway on our campus, creating a visible reminder that every journey is built one step at a time. Together, they reflect the many different reasons our residents continue putting in the work to rebuild their lives and move toward a brighter future.

Annual Luncheon

# Kim's Kindness

## Volunteer Spotlight

For the past two years, Kim has shared her time and talents with Another Chance House contributing more than 150 hours of volunteer service helping organize the clothing donations and maintaining the clothing and intake closets.

Her work behind the scenes helps ensure residents have access to the items they need as they begin rebuilding their lives.

A retired math instructor, Kim says volunteering gives her "a way to continue to give back to the community while keeping my mind and body engaged." She finds purpose in being part of something larger than herself and believes that even small acts of service can create meaningful change.

*"It gives me a sense of pride, joy, and accomplishment to be a part of the ripple effect... being a part of something bigger," Kim shared. "It allows me to help others grow, which in turn helps the community to grow."*

We are grateful for Kim's kindness, dedication, and the difference she continues to make!

Join us on **Thursday, September 17th, from 11:30 AM to 1:00 PM** at **Polk Street Methodist Church** for our annual luncheon celebrating the men, supporters, and community partners who make the work of Another Chance House possible.

This year's event will highlight stories of **hope, perseverance, and transformation** while recognizing the impact that your support has on men rebuilding their lives after homelessness.

Thank you to our Title Sponsor **St. Thomas the Apostle Catholic Church!** Sponsorship tables are **still available** for businesses and individuals who want to make an even greater impact. If you are interested in attending or learning more please call us at 806-372-3344.

# Welcome to the Team, Gracie!

Another Chance House is excited to welcome Gracie Martinez to our team as Case Manager. In this role, Gracie works directly with residents to assess individual needs, connect them with resources and referrals, and help them achieve their goals as they work toward rebuilding with dignity and purpose.

What drew Gracie to this work is the opportunity to make a meaningful difference in people's lives and witness their progress firsthand.

*"Working with individuals and being able to see their growth is not only rewarding, but reminds me that the profession I have chosen and this organization were one of the best decisions I have ever made."*

Gracie's passion for helping others and her commitment to walking alongside men as they walk their path to self-sufficiency make her a valuable addition to the Another Chance House family. We are grateful to have her on our team and look forward to the impact she will have on the men we serve.
